NEATLY TAKEN IN
A Superabundance of Nerve, a Glib
Tongue and Facile Pen Get
the Coin

During the past week there were several
smooth check transactions pulled off in this
city which betokened the fact that we still main-
tain our reputation as an innocent and glib
people and an inviting field for those who work
not, neither do they stop, yet know how to get
the coin, all the same.

Mr. Charles Breeze, the Market street grocer,
is the latest victim to the wiles and persuasive
influence of a well oiled and glib tongue.

Saturday night Mr. Breeze had a visitor who
worked the rabbit's foot in such a smooth and
gentle manner that he really has satisfaction
in holding the sack and candle, while Jim, the
peasant, sniped him to the Queen's taste.

The fellow gave his name as William Martin,
and said he had been working for Captain W.
H. Cummings, the painter, who had paid him
for his week's labor with a \$15 check on the
First National Bank, and being after banking
hours he was unable to cash it. He wanted
some groceries, provided Mr. Breeze would
cash the check, and have his purchases sent to
his home in Forest avenue Monday morning.
Martin's plausible story and his well appearing
manner deceived Mr. Breeze into agreeing to
his proposition, and after taking out \$265,
amount of grocery bill, passed over \$1235,
good dollars in exchange for the spurious paper.

The deception was not discovered until yes-
terday morning, when the accommodating
grocer awoke to the fact that he had been
neatly duped and that the bird had flown and
was many miles out of his reach.

Free Remedy For
Weak Bowels

There are two forms of bodily
cleanness, the external and the in-
ternal. The one is for your pride in
yourself; the other for your life and
health. Both are important, but of
vastly more importance in the long
run is the internal cleanness.

This is one point that all should watch
about their body—the cleanliness of the
bowels. Keep them clean and free from
obstructions. To do this you must have
one or two movements of the bowels
each twenty-four hours. If your system
does not do this naturally, in the process
of eating and drinking, then you must
obtain aid of some kind. After finding
out that cathartics, salts and such things
relieve you for a day, but bind you up
worse than ever the next day, then try a
simpler and more natural remedy like
Dr. Caldwell's Syrup Pepsin.

For the skeptical the best way to be-
gin is to send your name and address to
Dr. Caldwell for a free sample bottle.
Use it as directed and if it convinces
you that a brief continuance of its use
will relieve you permanently—that it will
train the stomach and bowel muscles to
again work naturally at certain hours—
then buy it of your druggist at fifty
cents and one dollar a bottle, just as so
many others are doing. They began with
a sample bottle, then bought a fifty cent
bottle, and now, fully convinced of its
merits, they buy a dollar a bottle, and so
on. All the members of the family can
use it down to the very youngest.

A brief use of this grand laxative tonic
will cure constipation in its worst form,
indigestion, liver trouble, sick headache,
sour stomach and such ailments and keep
you in continuous good health at a very
small cost. Such is the experience of
many families like that of Mrs. Oscar
Fleener, Unionville, Ind., J. P. Daniel,
Baron, Tex., and hundreds of others that
could be named.

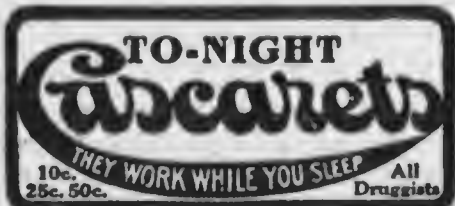

Dr. Caldwell personally will be pleased
to give you any medical advice you may
desire for yourself or family pertaining to
the stomach, liver or bowels absolutely
free of charge. Explain your case in a
letter and he will reply to you in detail.
For the free sample simply send your
name and address on a postal card or
otherwise. For either request the doctor's
address is Dr. W. R. Caldwell, 1137 Cal-
well Building, Monticello, Ill.

For Sale by J. JAS. WOOD & SON, Druggists.

Mr. R. V. Hedges of this city is in Vance-
burg today where he will take the required
examination before becoming a full-fledged
Attorney. The committee before whom he
appears is composed of Judge Halbert, Hon. A.
D. Cole and ex-Congressman S. J. Pugh.

Mr. and Mrs. M. B. Dodson of West Third
street are in Cincinnati, where the former will
undergo a delicate surgical operation for an
abscess or gathering in the ear and head. He
will probably remain in the care of the physician
for ten days or two weeks before being per-
mitted to return home.

Dr. Charles R. Sheridan, who arrived home
Saturday, will leave this afternoon again for
Wheeling, W. Va., accompanied by his wife.
Dr. Sheridan has decided to locate in Wheeling,
where he will form a partnership with Dr. L.
E. Rex, one of the leading physicians and
surgeons of that thriving city. They will erect
their own building, which will be modern and
comfortable in its appointments. Dr. Sheridan
has built up a fine practice in Maysville and it
is to be regretted that he and his estimable
wife are to leave this city.

NATURAL GAS FOR MAYSVILLE

Ohio Valley Oil and Gas Company
Duly Incorporated Offers Solid
Inducements For Investors

Speaking of the prospect for natural gas The
Bracken County Review has this to say:

"The oil territory is closing in on us from all
sides and the Ohio Valley Oil and Gas Company
territory looks more promising as time goes on.
Speaking of the parties taking leases along
the North Fork of Licking, South of us, The
Mt. Olivet Advance says: 'The Pittsburgh
parties are to sink three wells immediately.
It is undecided where these will be, but the
opposition is that they will be on the Vanhook
Jett land, or else in the immediate vicinity of
the wells already sunk on George Gairlath's
land about two miles East of Bridgeville.' 'It
is almost an absolute certainty that gas
exists in paying quantities, and it is believed
that oil may be found.'"—The Dover News.

If there was as good a prospect of striking
natural gas by drilling a well three miles from
Maysville, what better thing could fifty busi-
ness men of Maysville do as a Commercial Club
or otherwise than to invest \$100 each to make
a test? Think what it would mean to Mays-
ville! Think of the commercial advantages in
bringing factories here, in increasing our popu-
lation, in cheapening the cost of production
and the cost of living and lightening the labors
and adding to the comforts of home. But
aside from all this, the profit that would accrue
to the individual investor would be something
enormous. Think of it, the pipe line of the
Cincinnati Gas and Transportation Company
will bring natural gas from the fields of the
Ohio Valley Oil and Gas Company in Bracken
and Mason counties within three miles of the
city, just the same as if the gas were found
there. The citizens of Maysville have never
awakened to the possibilities of the sub-soil
lying adjacent to them.

To develop this field where gas and oil have
already been found and where the Standard
Oil Company in adjoining territory will shortly
drill, the Ohio Valley Oil and Gas Company
will for 30 days sell a limited amount of its
treasury stock. To buy the Standard Oil
stock it will cost you \$650 a share. To give
the people a chance, the Ohio Valley Oil and
Gas Company offers its stock at this time at
25 cents a share. When once a gauger is
struck the price of the stock will be out of
sight. If you are not on the profit train before
it starts you cannot hope to catch it after it is
under way. Besides, by putting your money
in it much or little, into the enterprise, you
will be giving your town a boost.

Stock can be obtained at the offices of the
following gentlemen: Messrs. W. Holton Key,
A. D. Cole, J. G. Wadsworth, H. L. Walsh and
Clarence L. Wood.

Deafness Cannot be Cured
by Local Applications, as they cannot reach the dis-
eased portion of the ear. There is only one way to
cure deafness and that is by constitutional reme-
dies. Deafness is caused by an inflamed condi-
tion of the mucous lining of the Eustachian tube.
When this tube is inflamed you have a running
ear and imperfect hearing, and when it is entirely
closed, deafness is the result, and unless the in-
flammation can be taken out and this tube re-
stored to its normal condition, hearing will be
destroyed forever; and because of this it is nec-
essary that the cause of the inflammation be
removed. We will give One Hundred Dollars for any case
of deafness (caused by catarrh) that cannot be
cured by Hall's Catarrh Cure. Send for circulars
free. P. J. CHENEY & CO., Toledo, O.

Do Clothes Interest You

If you like to look—to "size up"—to criticize the new ideas evolved by the designers and clothes builders—you are welcome here at any time and stay as long as we can hold your interest. You'll buy when you are ready and what appeals to you; and that will suit us; and, after investing in good outer garments, don't make them look as though they might be a little "doubtful" by wearing cheap shirts, inappropriate ties and socks—or even an unbecoming model of collar! Mr. C. C. Degman arrived home Friday from the Twenty-eighth State Encampment, G. A. R., at Central City. Mr. Degman made some interesting notes of the meeting. Samuel R. Van Sant, Commander-in-Chief, was in attendance and his presence was greatly appreciated by the old Vets. The Women's Relief Corps also had the pleasure of having their National President, Mrs. Jennie Iona Berry. Central City is an interesting little burg, claiming a population of 3,500. Many private and public buildings were handsomely decorated for the occasion. A magnificent program of entertainment by the Aolian Club in honor of the State Encampment at the Gist Opera-house Thursday night was highly complimentary to the G. A. R. The hotel accommodations were ample, rates reasonable and the good things to eat above the ordinary. Central City is o. k.

There will be a meeting of the High School Alumni Association tonight at 7:30 at the High School Building.

In THE LEDGER's article yesterday concerning the accident to Mr. Peter Walsh, near Mayslick, it was stated that Mr. Walsh was thrown from his buggy and rendered unconscious by his horse scaring at Mr. S. Mr. Blatterman informs us that this report is a mistake; that Mr. Walsh was not rendered unconscious and that the vehicle was not damaged in the least. Mr. Blatterman took Mr. Walsh to Mayslick and had his injuries attended to by Dr. Davis.

TWISTWEVE.

A new, beautiful, durable and economical rug. The rug or carpet problem is a difficult one. It is so hard to find a rug of good color and design at a moderate price. Twistweves meet this need. They are made of rope stock and pure wool yarn. They have weight, therefore lie flat on the floor. The weaving absolutely prevents slipping of threads and thus assures satisfactory wearing qualities. A Twistweve rug will outwear any ordinary carpet. Size 9x12 feet. Price \$10.

1852 HUNT'S 1910

NARROW ESCAPE

When Will Maysville's Reckless Scorchers Learn Some Sense?

Sunday evening Mr. and Mrs. Alex. Casey and daughter of the county were driving along the Lexington pike, and when near the trough at the intersection of the pike leading down Fourth and Third streets, one of Maysville's numerous scorchers came bowling along in his automobile at a thirty-mile gait, which so frightened the horse Mr. Casey was driving that he became unmanageable and began rearing and backing, and an obstruction at the side of the road alone saved the entire outfit, horse, buggy and occupants, from being precipitated down a fifty-foot embankment.

Fortunately the occupants escaped serious injury, but the buggy was considerably damaged.

Council recently passed an eight and twelve-mile speed ordinance that is evidently looked upon by scorchers as a dead letter. A good, stiff fine would possibly have a beneficial effect in bringing them to their senses.

Fully a million dollars will be offered in prizes for aviation meets during the year 1910.

THE Washington correspondent of The Boston Transcript says that many of the best Republicans hope that National party platforms will not be made too explicit in the future, but will leave something to the judgment of Congress. "Party platforms have run riot the last few years, each party apparently trying to outdo the other in the number of definite promises it could make. The result has been a legislative confusion which is almost unparalleled, simply because the great and complex questions at which the platform hints cannot be covered in a few lines of party promise." It is a hopeful sign when the party leaders are beginning to see the folly of injecting too many extraneous issues into a National platform.

PRESIDENT TAFT is a good lawyer, and has no objection to submitting his case to the people at any time.—St. Louis Globe Democrat.

On May 10th, 1860, the first Republican bill was passed in the House of Representatives, the so-called Morrill Tariff Bill. On May 18th, 1860, ABRAHAM LINCOLN was nominated for President at Chicago. What grand results have come to us as a Nation and a people in these fifty years, during only two years of which the Democratic party has been in complete control of the Government.

THE SIGN.
 "What," asked the reporter who had been sent out to interview Benjamin J. Bunker, the new Napoleon of finance, "do you consider the most encouraging sign of the times?"
 Taking out his pencil and deftly illustrating his remark, Mr. Bunker replied:
 "This—\$."

The smallest screws are those made in watch factories. An ordinary thimble would hold 100,000 of them.

HAIR NATURALLY ABUNDANT.
 When It Is Free of Dandruff, It Grows Luxuriantly.
 Hair preparations and dandruff cures, as a rule, are sticky or irritating affairs that do no earthly good. Hair, when not diseased, grows naturally, luxuriantly. Dandruff is the cause of nine-tenths of all hair trouble, and dandruff is caused by a germ. The only way to cure dandruff is to kill the germ; and, so far, the only hair preparation that will positively destroy the germ is Newbro's Herpicide—absolutely harmless, free from grease, sediment, dye matter or dangerous drugs. It allays itching instantly; makes hair glossy and soft as silk. "Destroy the cause, you remove the effect." Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

GOLDSBORO HEARD FROM

A Lady Who Lives in Goldsboro Joins in the Chorus of Praise for Cardui, The Woman's Tonic.

Goldsboro, N. C.—"A physician treated me for many distressing symptoms," writes Mrs. Etta A. Smith, "but gave me no relief.
 "I suffered with neuralgia around the heart and was troubled at times with my head. I had pain in my left side, bowels, left thigh, shoulders and arms.
 "After taking Cardui, I am now well and can recommend it to other suffering women."
 Just such doubtful symptoms, as those from which Mrs. Smith suffered, are the ones for which it will pay you to take Cardui, the woman's tonic.
 It is at such times, when there is nothing to show, for certain, the real cause of the trouble, that you need a tonic, to give the body strength to throw off the illness that evidently threatens.
 Take Cardui, when you are ill, with the ailments of your sex. Take Cardui as a tonic, to prevent illness, when you feel it coming.
 Your druggist keeps it.
